### **Description**

I have read this article and a Big Brother (CBS Show) website has nudity avatars on this website. <http://www.tengaged.com/user/DanielKennedy111> As you see in this link, this is an avatar that shows the matter, nudity. When you enroll on the website, it strongly says that you must be thirteen of age or older to play or you will be forbidden. Now, as you are probably thinking, thirteen of age is still a minor which means many thirteen to seventeen year olds are looking at nudity. As I hope this ends so us as a nation can help the world. Thank you for your time and have a good day,

## **Description**

CBS is consistently allowing racist, homophobic and insensitive, degrading comments about gender to be allowed to be expressed in the Big Brother live feed chat rooms with no disciplinary action. The chat moderators are basically "cherry-picking" who to suspend for reasons that appear to be slanted towards certain players of the game. In other words if the Big Brother chat room moderators do not like you saying something about a player the moderators/Big Brother/CBS have a personal vested interest in, you get suspended. If its a player Big Brother/CBS is favoring more (showing them on the live feeds and the Big Brother show way more than other less popular players, its pretty obvious) then they will suspend your account. I have been suspended for saying, "Go wash that nasty hat" towards one of Big Brother's favorite players, while women, minorities and LGBT players are continually subjected to crass, insulting and degrading comments in the live feed chat rooms, with no suspensions. CBS has a disclaimer (of course) covering themselves to not be held responsible for any comments a player may make. I would just like it to be brought to attention of the FCC that the Big Brother live feed chat room moderators are "playing favorites" so to speak. Other people commenting in the live feed chat rooms have also complained of being suspended for saying comments about certain "popular" players, while other less popular players are fair game to be insulted in every way possible. CBS is allowing selective discrimination to occur on a public forum. I believe this is an issue that needs to be addressed and investigated.

## **Description**

This complaint is about racial stalking and harassment from two members of the cast of the CBS Television show ' Big Brother ' .

In 2005 I watched this show for some time , and became involved in a fan chat forum , one owned by contestant Michael Donnellan ( website below )

<https://www.facebook.com/mdartwork?fref=ts>

And also contestant Kaysar Ridha

On this forum I was subject to the most vile racial threats and insults that one could imagine . My family was threatened , my websites were threatened with hacking , and I received threats of violence ... mostly from the brain dead worshippers of Mr. Donnellan ; but also from Mr. Donnellan himself .

One must understand the nature of the show ' Big Brother ' itself . It has to do with forming gangs ( mostly racial gangs ) , and spying on and defeating your ' competition ' . This show has become so vile , however , and so violent that it has received a letter of concern from the ADL ( Anti Defamation League ) noted below -

<http://www.adl.org/press-center/c/adl-letter-to-cbs-on-big-brother.html?referrer=https://www.google.com/#.Vf8jw99Viko>

And a promise to ' clean up ' the show from the producers ( which they have not ) :

<http://www.hollywoodreporter.com/live-feed/big-brother-16-producers-controversy-713939>

Of course the content of the show now has become no concern of mine , as I stopped watching this horrible piece of crap a couple of years ago . What does concern me is the continued stalking , racial threats , threats against my business and family , and threats of violence against myself from the cowardly members of Mr. Donnellan's and Mr. Ridha's forums ; who hide behind false identities on the internet to do their dirty work .

Ans also remembering the fact that it has now been 10 years since the first incidents and threats have occurred ; and they are continuing - - - every time this show airs in the summer time they get much

worse . As if the zombies are being called to do their dirty work . So we are dealing with severely disturbed individuals .

What I would like to see done is for this show ' Big Brother ' to be taken off of the air , CBS television to be levied with a huge fine , and the producers and writers of this show , Mr. John de Mol and Ms Allison Grodner , be held accountable for their actions in a court of law ; along with Mr. Donnellan .

After all , the very nature of the show is about gangsterism and bullying . They are teaching people with mental deficiencies like Mr. Donnellan and Mr. Ridha how to go about the business of cyber - bullying and racial threats for fun and profit .

Plus , I must note , that it is not just cyber - bullying that they have used against me . They have made contact with people from my hometown in Orlando , Florida who have issued these same type of threats , and who I am in the process of obtaining restraining orders against .

Thank you for any help

<b>Comments</b>	<p>I believe that the Big Brother reality TV show is rigged by the Executive Producer Allison Grodner so that her close friend Amanda Zuckerman will win the grand prize of \$500,000. Amanda Zuckerman allegedly used to work for CBS. I found on Youtube a video with Amanda doing interviews and stuff for a program called "Big Shot Live" back in 2008 which I understand was produced by CBS. I also saw on a Big Brother Facebook page a post allegedly from a former CBS employee Hailey Jones (not her real name) who claimed to have been involved in the selection process for Big Brother 15 and claims that Amanda Zuckerman was chosen as this season's pre-determined winner and that Elissa Slater was chosen to be a distraction. I have seen other posts claiming that there is a lot of cheating going on. I think Big Brother should be investigated because this just isn't right.</p> <p>Sincerely,</p> <p>(b) (6)</p> <p>ly unscripted reality show like Big Brother.</p>

<b>Comments</b>	Reality show of a diverse group of strangers living a house together to compete for a cash prize through voting out a person each week. CBS has been aware, recorded and broadcasted house guest tormenting other guest with racial remarks and slurs, discriminatory actions, and placing the minority houseguest at an emotional disadvantaged. They have also allowed their viewers as well as the houseguest to be subjected to extreme, blatant racial antagonizing remarks. CBS needs to put a stop to this and stop fueling a racial wave across this country.

On Tuesday 5 of my TV stations were knocked out, and NBC Universal who appears to broadcast our house is the one network left. On Wednesday night pulsed wireless signals came pounding down on the roof, deck and our property from the direction of the construction. **Problem Description**

My family did not appreciate the sexual nature of the Coach's competition during the Sunday, 29 Jul 2012, episode of CBS Big Brother. The competition required the four coach's to compete against each other in the "Big Brother Gym". Each of the exercises were extremely sexually explicit with the final competition involving the final two to coach's to actuate a switch with their tongue.

This type of programming is not appropriate for "Open Air" television during prime time. I believe it is incredibly irresponsible for CBS to allow this type of programming during this time slot and feel FCC involvement is necessary.

Please feel free to contact me if you have any questions.

**Problem Description**

I am very disgusted with Big Brother this year. They have over done it. The cast has been constantly throwing racial slurs out while being filmed on the live feeds. It is literally painful to watch at this point. Its been all over the internet, news on the racism, and bullying, etc.

The housemates have been caught, and filmed saying things like:

- "The blacks always stick together"
- "Her blackness is now coming out"
- They have been referring to the gay houseguest as a "fag"
- One housemate said "they need to straighten her eyes" talking about the asian houseguest, disgraceful
- A few of the men go around calling the girls their "bitches and cunts"
- One housemate said "nigger" then another houseguest said "so what if you said it"
- A male houseguest referred to the women's vaginas as his "meat wallets"

And i can guarantee all this will be edited out of the live shows. This is truly the lowest the show has EVER gotten. Casting a bunch of wannabe models, to get the ratings. Something has got to be done about this....

Arryn and Gina Marie are racist. Jeremy used Alyssa's hat to wipe fecal matter. Arryn and Gina Marie have made several offensive remarks regarding Asians and Black people. CBS is not ejecting these three people. It's went beyond what the game should be and contestants are feeling unsafe. It's not right. if CBS is against bullying...why are they allowing these volatile events? CBS needs to send a strong message to these three individuals that bullying and racial slurs have crossed boundary lines. Jeremy, Arryn and Gina Marie are full of hatred. It's not right and the show has never been like this. So disappointed. FCC please do something. Send a message to CBS, MAKE them do the right thing and publicly eject these people from the show. There not listening to viewers.

Many viewers feel the goings on right now for the Big Brother 15 Program are not being handled and just might be encouraged by CBS to boost their ratings. The racial tones, bigotry, screaming, cursing and hatred being shown - sometimes on air and sometimes on Facebook or live feeds is horrible and should not be tolerated by anyone and if it is not illegal, it should be. Please look into this and if it is fine to air this type of hurtful trash on television, so be it, at least I made my concerns heard. I truly fear this is going to erupt into a vile ending if CBS does not remove the people saying these awful things to especially, young man (I believe Andy) who is Gay, the two African American house guests and the Asian house guest who all have been insulted with racial or hurtful words by several house guests..

<b>Problem Description</b>		

There is no specific date. This hatred and racism had been going on all season.

Amanda Zuckerman was caught making racist remarks about her African American and Asian American competitors on camera.

"She wore my f--in' head band and didn't ask," Zuckerman said about African American housemate Candice Stewart (above).

"She took it off your f--in' head and put it on her greasy-ass, nappy-hair head."

In another instance, Zuckerman referred to African American contestant Howard Overby as "the black mamba" and "the dark knight." She also referred to herself as a "f\*\* hag" and used the term "retarded" on multiple occasions.

On "The Talk" on Monday, Chen showed a clip of the fight between contestants Candice, Aaryn and GinaMarie. Aaryn said, "Whatchu gonna do girl?" to Candice and at one point, GinaMarie got in Candice's face and asked if she was going to "let the black come out."

[http://www.huffingtonpost.com/2013/07/15/julie-chen-big-brother-contestants-racist-comments\\_n\\_3600814.html](http://www.huffingtonpost.com/2013/07/15/julie-chen-big-brother-contestants-racist-comments_n_3600814.html)

?GinaMarie said that, because of her income level, she receives ?nigger insurance? (she whispered the n-word, so it?s possible she said the version that ends with ?a?). She whispered it to both Nick and Andy, neither of whom challenged her.

?GinaMarie said Helen, who?s Asian, ?should be kissing our ass and serving us some fucking rice.?

?Aaryn said of Andy, ?No one?s gonna vote for whoever that queer puts up.? She also suggested he?d win MVP because ?people love the queers.?

?Aaryn said about Candice, who?s black, ?be careful what you say in the dark you might not be able to see the bitch.? (A month ago, Aaryn tweeted, ?Attractiveness comes from inside. What would you look like if your looks mirrored your words

and actions?? So much irony.)

?GinaMarie said Candice ?gets that fuckin? blackness,? referring to Candice?s reaction to something that happened in the game.

?Aaryn said of Helen, ?Shut up. Go make some fucking rice.?

?Talking about sheets that smelled bad, David said they were that way because ?black Candice? was on them, and then admitted, ?that was totally racist.?

?Jeremy, who calls the house?s women ?bitches,? said of Katilin, ?I did touch her vagina today.. she didn?t act like she was happy.. I like to feel around see what?s she?s working with.. see if it?s a nice meat wallet ? I know she?s on her period.?

?Spencer called Andy ?Kermit the fag? Amanda called Andy ?Faggoty Ann? (McCrae later called her out for that language, but she defended it).

?Spencer said that the medical torture conducted by Nazi doctors was beneficial and praised Hitler?s speaking abilities, even while acknowledging that he?d be criticized for that.

?Katilin said she likes gay people but they?re ?untrustworthy in a game like this.?

?McCrae said, ?If I?m talking to a girl, that probably means I don?t want to fuck her.?

?Spencer referred to women as ?cunts.?

?GinaMarie said, ?you know two blacks stick together. They?re like tokens.?

Sirs:

Why do you allow the Big Brother Program to continue to be broadcast? If it was a talk show or a rehearsed program, the tv personalities would have been immediately reprimanded. Why allow this to continue because it is a "social experiment". It is a game but it is a television program broadcast to millions. The remarks that the house guests are making are profane, obscene, and unacceptable. Why do you allow it?

My complaint is this. Why on shows like Big Brother, Survivor, The Voice, and many, many shows a woman's boobs are not fuzzed out. On Survivor a person will have 1" of butt crack showing and it will be fuzzed out but a girl can have almost all her boobs hanging out for all to see. I would like to see boob cleavage fuzzed out . At least I would like to know why it is allowed.

Thank you

Commercial's entire content is "These are some words you won't hear on Big Brother After Dark," followed by "fuck, shit, cock, cunt" etc, all clearly audible if slightly truncated. Utterly unacceptable and openly mocking the few lingering constraints still in place. Look, I like South Park, I don't live in a cloister, but this ad subverts and flaunts the very few rules broadcasters are still expected to abide. Please issue them a well-deserved slap.

Dear Chairman Wheeler:

Please find below a copy of an e-mail I sent to TV Guide Network with regard to the Big Brother After Dark ads that are currently being shown:

ALL BOARD OF DIRECTORS TVGN  
re: Big Brother After Dark Ads

I suppose it is a great deal easier to come up with a television show that spews obscenities than it is to come up with a show that actually takes creativity and intelligence. What gets me most upset about your ads for BBAD is that I wouldn't choose to watch a show like that, but while I'm in the middle of watching something worthwhile, the ad insists on invading my home, using bleeped out obscenities that still come through loud and clear. I'm sure that is the intended result, but my question to your executives is HOW DO YOU SLEEP AT NIGHT???? Do you not want to make the world a BETTER place??? Do you not want to do something to lift people up instead of having them roll around in the mud of filthy language. Is this what you think of your viewers? I am totally disgusted. I will be sending a copy of this to the FCC.

Please forward this to ALL BOARD OF DIRECTORS OF TVGN. Thank you.

(b) (6)  
Clemmons NC

Chairman Wheeler, isn't the FCC supposed to protect innocent viewers like me from obscenities invading my own home while I'm trying to watch a normal movie or look at a list of what's on? I do appreciate the convenience of the guide channel, but I think it is unconscionable that they pollute something innocuous without any regard or respect for viewers who don't want to join them in sinking to the lowest levels imaginable. As I mentioned in the e-mail to them, I am totally disgusted.

I suppose you have bigger fish to fry, but television is out of control and it is supposed to be regulated. I don't understand the things that are on tv now. I try to be very careful about what I watch, and I'm very upset that I have been blindsided by the

BBAD ads. Can you help, please? Thank you.

Sincerely,

(b)

Male contestants are making sexual gestures and advances to each other, licking each others shirtless bodies. Pink Haired male employee of CBS has been continuously, trying to make advances to second male contestant, which has included heavy petting, sexual innuendo, and sexual advances such as heavy kissing, touching in a suggestive manner that is borderline pornographic. This kind of activity should not be accepted in Prime Time TV for children to watch, who are developing, asking if it is OK for boys to show that kind of affection. In the privacy of their own home, is one thing, not when cameras roll for a show taping 24/7.

During the episode, Big Brother showed two selections for Team America's next mission.

A. "Wear down the competition by convincing everyone to fast for 24 hours while Team America secretly eats."

B. "Wear down the competition by convincing everyone there's a rodent in the house and keep them up all night trying to catch it."

Choice A is anti-religious because fasting typically occurs for religious purposes.

Choice B is deceptive information designed to weaken other houseguests.

Both of these choices are definitely indecent (maybe even obscene for some people).

**Problem Description**

During the online feeds of CBS' Big Brother, comments were made by the house guest regarding Victoria. Though it was said jokingly, the comments were out of line. The video can be found on you tube now. Look up Frankie Grande Rape joke. CBS did not shut the cameras off as they do when the house guest are singing or talking about production. CBS appears to be covering up this incident by not saying anything. They spoke up about a racism remark last year and another contestant this year. But are showing extreme favoritism to the main one involved in the video. Please investigate as these comments were out of line and offensive. Thank you
